

From Molecules to Machines - The Intelligence Revolution In Diagnostics
The Intelligent Laboratory Beyond Digital Pathology
Bringing AI to the Clinical Laboratory

Friday
31TH July 2026
6 pm to 8 pm IST

SPEAKERS

**AI in Pathology:
Implementation, Applications & Challenges**

Dr Monika Lamba Saini
Director-Medical,
Translation and Computational Pathology,
GSK, UK
Education Committee Digital Pathology Association,
USA

**The AI Toolbox: What Is Actually
Being Used In Laboratory Medicine?**

Dr Sonia Nagyal
Lab Director,
Consultant, Hemat/ Oncopathologist,
Gadchiroli, Nagpur, India

**From Numbers To Knowledge:
AI-Assisted Interpretation & Clinical
Decision Support**

Mr Amit Manjure
Head - Automation Robotics & Digital
Solutions, Clinical Value Team & Healthcare
Consulting, Roche Diagnostics India,
Neighbouring Markets

CAHO DIAGNOSTIC DIVISION

Dr Ravi Gaur

Founder & Director, DRG Path Labs,
Director & Chairman, Medical
Advisory Board,
Oncquest Laboratories Ltd,
New Delhi, India
